

HALLOWEEN FIREWALK

Wednesday 25th October 2023

Experience the buzz of the ultimate challenge as you stride over hot coals to support people with cancer.

Join us at the [Maggie's Glasgow](#) centre on 25th October and with the training of our Blaze Firewalking experts, you'll be able to literally walk through fire! Registration is £25 and we ask you to do your best to raise a minimum of £150 to help support people with cancer.

Bring along your friends, family & colleagues to capture your big moment and watch as you bravely walk across burning hot coals to raise funds for Maggie's Glasgow. Places are limited - [click here to register](#) so your place doesn't go up in flames!

“Right up until I took the first step I wasn't sure I could do it.
Afterwards, I felt like I could do anything!”
- Maggie's Glasgow Firewalker -

Proudly supporting
